

# *The Prophecy of Restoration*

*A time shall come when trouble reigns,*

*No truth or virtue thought,*

*Only a remnant steadfast shall hold,*

*The kingdom in foul hands,*

*A light waiting in hidden silence.*

*Six who are three shall come and see our troubled land,*

*And begin a journey long and far,*

*Courage to ignite,*

*A trust to renew,*

*A song to free,*

*A lamp to light.*

*Order and harmony shall be restored,*

*The remnant shall grow,*

*And The Light shall return.*
