

Frequently Asked Questions about CHESS Registration

When can I register?

Registration opens on May 17 for returning families, on May 24 for new families, and closes August 16. Families can create a CHESS account at any time through the website.

How do I register?

Read the "Family Participation Agreement" and "Tuition, Fees, Payments and Refunds" documents, then access the registration system (browse and search for classes) through our website, www.chessclasses.org.

Can I drop a class after I register?

You have two days to drop a class after registering without incurring a drop fee. Refer to the "CHESS Tuition, Fees, Payments & Refunds" document for more details.

Can I add another class after I register?

Sure! Just add the class to your cart, and follow the instructions given. Registrations are approved after payment is received.

What are my tuition payment options?

CHESS allows you to spread your payment over four monthly installments with the following dates:

1. When you register
2. August 1
3. October 1
4. December 1

Can I get any discounts on my tuition?

Please refer to the "Tuition, Fees, Payments and Refunds 2017-18" document to find out about discounts, volunteering and scholarships.

How do I confirm that my student is in a class?

Seats are held when you register, and approved after payment is received, and all prerequisites have been met. You'll receive an email confirmation as seats are held, approved or waitlisted.

What if not enough students sign up to run my class?

A class requires a minimum of five to seven students in order to run. If a class does not have enough students, it may be canceled. Class cancellations will be announced August 18. Anyone whose class was canceled will have the opportunity to choose replacement classes if seats are available.

Will CHESS give me a transcript?

The teachers at CHESS issue grades or evaluations; however, CHESS is not a school. The responsibility for creating a transcript lies with the homeschooling parent.
